

A VISION FOR THE NEWINGTON AREA 2016 - 2031

By 2031 the Newington area of Hull will be recognized as one of the social, economic and cultural centre's of the City. It will have a diverse and vibrant economy, providing good quality jobs, and offer a wide range of shops, services and recreational facilities.

By 2031- but ideally much sooner - local people will feel they belong to a safe, healthy, and well-integrated community, offering equality of opportunity, good quality housing, and a strong sense of community well-being.

Physically, the area will have been transformed into a desirable place to live, work and play, with safe and tidy streets that are not dominated by vehicular traffic, and with a variety of high quality and accessible public open spaces.
