

Newington Neighbourhood Plan

Defining the Future of the Anlaby Road area

What is the Newington Neighbourhood Plan?

The Newington Neighbourhood Plan is a plan for the Anlaby Road area which will enable the local community to have more say in the development of the neighbourhood. Neighbourhood Plans are a new tier in planning policy which enables local people to shape the development of the community in which they live for the next twenty years. Our Neighbourhood Plan will sit alongside Hull City Council's Local Plan for the City.

Through the Neighbourhood Plan we can determine:

- What shops, homes and businesses to build
- How buildings should look
- What infrastructure is needed to support the communities vision

The Neighbourhood Plan will give us the power to:

- Set out planning policies that can be used to assess planning applications
- Grant Planning Permissions through Neighbourhood Development Orders and Community Rights to Build Orders.

What do we need to do?:

- Establish the Neighbourhood forum.
- Propose an area for the plan
- Consult with local residents and businesses
- Have the proposed area approved by Hull City Council
